

Architectural Technologist

Do you enjoy having a flexible and highly varied role? Would you prefer a role with more responsibility and training opportunities? Then YMD Boon might be the perfect place for you to progress in your role.

We have a fantastic opportunity for a proactive **Architectural Technologist** to join our dynamic team in our Nottingham or Lincoln office.

About YMD Boon:

With over 50 years' experience, YMD Boon is an award-winning team of construction specialists, delivering a multi-disciplinary service including architectural design, building surveying, project management, maintenance and health and safety.

Unlike at larger organisations, you will not be treated like one of the many cogs in a big wheel where it's often difficult to stand out from the crowd and career progression can take years to achieve. You will play an integral role in our Architectural Technologist team and will have the opportunity to broaden your skillset and understand how your role contributes to our wider success. We pride ourselves on our training and development programmes, ranging from role-specific courses to leadership and management training.

The Role:

- Working as part of a team to deliver scheme designs covering the education, blue light and housing sectors.
- Responsible for the accuracy of drawings using Revit.
- Preparation of surveys, drawing packages and specifications.
- Assist in running and coordinating projects with the wider team.
- Assist in producing tender packages.
- Support the company in achieving high quality working drawing production within your team.

Key Skills and Experience:

- Strong technical knowledge of construction detailing.
- Considerable experience within a similar role working on education, blue light and housing schemes is essential to be successful.
- Proficient using Revit.
- Thorough knowledge of the Building Regulations and the Planning process/discharge of conditions.
- Considerable experience in the preparation of tender packages.
- Enthusiasm for problem solving.
- Ability to prioritise and coordinate tasks efficiently ensuring all deadlines are met.
- Organised with an attention to detail.
- Self-motivated and expecting to progress within a growing practice.
- Eager to learn and develop technical skills further.
- Full UK driving licence.

Package:

We offer competitive salaries in respect of your skills and experience alongside to the following:

- Contributory pension scheme
- 21 days' annual leave plus Bank Holidays, plus birthdays off
- Additional discretionary Christmas leave each year, usually 5 days depending on how Christmas falls
- Professional subscriptions
- Company mobile phone
- Health cash plan
- High street discounts
- Tastecard
- Health and wellbeing support
- Subsidised social events
- Private office car parking
- Career progression support

In addition to excellent career progression, with fantastic opportunities for promotion, you will receive ongoing support and a great office environment.

Ready for a new role? We'd love to hear from you. Contact Simone Fearn at sfearn@ymdboon.co.uk or call us on 01858 464 482.
